

#### A Mantis Eco-Escape Experience

Mantis is an African borne collection of Boutique Hotels, Eco-Escapes and Waterways which provides guests with rare and exceptional experiences. Created by Adrian Gardiner, Mantis grew from a humble vision to create travel experiences where man and nature co-exist sustainably. A hand-picked collection of pristine destinations and unique hotels which reflect authenticity, luxury, and sustainability.

#### Siringit Serengeti Camp by Mantis

Witness the migration in complete luxury. Siringit Serengeti Camp by Mantis offers a bespoke safari experience in the heart of the Serengeti National Park in Tanzania. The camp is located just 6km east of Seronera Airstrip and one hour's drive from the Nabi Hill entrance to the Serengeti National Park.

The camps nine exclusive canvas tents, one of which a family tent, has been designed to offer guests the optimal glamping experience. The dining area, lounge tent and veranda offer panoramic views of the Serengeti. Guests can enjoy the endless African sky in a tranquil setting, with a fine whisky or cocktail in hand, or take a game drive in the camps owned game safari vehicle and try and spot a lion, leopard, cheetah, elephant or black rhino.

#### Unique selling features

All power requirements is generated through solar power, and tents are raised on timber platforms to prevent 'grass burn' and protect the natural habitat of the wildlife
